

International Symposium on Biomedical and Environmental Materials

1st -2nd November, 2017
Nagoya Institute of Technology, Bldg. 4

THEME

We will organize the symposium where the newest research and technologies on biomedical and environmental materials will be brought forth and discussed. We also hope to serve an opportunity for participants from different research fields to gather under one roof and deepen their understanding for making the diverse and interdisciplinary materials research community.

TOPICS

Topics include, but are not limited to

Advanced functional materials

Biomaterials

Biomimetics

Cell biology

Composites

Ecomaterials

Electromaterials

Energy materials

Organic-inorganic hybrid chemistry

Optical materials

Polymers

CONFIRMED INVITED SPEAKERS

Delia Brauer, *Friedrich-Schiller-Universität Jena, Germany*

Atsushi Hozumi, *National Institute of Advanced Industrial Science and Technology, Japan*

Gavin Jell, *University College London, UK*

Julian Jones, *Imperial College London, UK*

Robert Law, *Imperial College London, UK*

Sungho Lee, *Osaka University, Japan*

Jin Nakamura, *Nagoya University, Japan*

Miho Nakamura, *Tokyo Medical and Dental University, Japan*

Gowsihan Poologasundarampillai, *University of Manchester, UK*

Eduardo Saiz, *Imperial College London, UK*

Yasuaki Tokudome, *Osaka Prefecture University, Japan*

Mitsuo Umetsu, *Tohoku University, Japan*

CALL FOR PAPERS

Participants wishing to give oral/poster presentations at the symposium are required to submit an abstract. Please contact the symposium secretariat to get the information of abstract submission and registration, if you are interested in it. The deadline for abstract submission is 30th September 2017.

FREE REGISTRATION

Symposium Organizer
